

2019 Industry Prospectus

The Pediatric Trauma Society (PTS) is a professional organization for all health care providers that are interested in improving outcomes for injured children through development of optimal care guidelines, education, research and advocacy.

PTS is the product of the collaborative vision of many pediatric trauma healthcare providers from around the world. Filling a void, PTS is quickly becoming the primary resource for both pediatric and adult trauma care providers to improve trauma care. Whether the injury occurs on a sports field, in the home, or in an unsettled part of the globe, all PTS members share the vision of improved care for children, as well as exploring options of how to minimize and prevent pediatric trauma in the future.

The 2018 Annual Meeting included 397 physicians, physician assistants, advanced practice nurses, registered nurses, trauma program managers, social workers, critical care staff, and first responders. Beginning with the inaugural meeting in 2014, the Annual Meeting has grown each year, continued to expand programming to include a multitude of offerings for all health care practitioners in the pediatric trauma arena.

The Pediatric Trauma Society is pleased to invite our industry partners to participate in the Society's 6th Annual Meeting November 13-16, 2019 at the Sheraton San Diego Hotel in San Diego, California. As you review the prospectus, many Educational and Marketing Support Opportunities are available for you to support.

If you are interested in any potential partnership opportunities not listed here, please do not hesitate to inquire, as we continue to expand our portfolio of partner offerings as our Society and our Annual Meeting grows.

We thank you in advance and look forward to seeing you in San Diego next Fall!
