Pediatric Trauma Symposium

Recommended for physicians, nurses, advanced practice nurses, physician assistants, EMS personnel and physical therapists involved in the resuscitation, care and rehabilitation of injured children.

EDUCATIONAL OBJECTIVES:

- Appropriately manage pediatric patients with traumatic orthopedic injuries.
- Evaluate children with suspected non-accidental trauma.
- Develop a treatment plan for pediatric patients requiring critical care management of injuries.
- Identify priorities for pediatric trauma patients during the resuscitation phase of care.

CONTINUING MEDICAL EDUCATION CREDITS

The School of Medicine, State University of New York at Stony Brook, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The School of Medicine, State University of New York at Stony Brook, designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)[™].

Physicians should only claim the credit commensurate with the extent of their participation in the activity.
