The PTS is the product of the collaborative vision of many pediatric trauma healthcare providers from around the world. Filling a void, PTS is working toward becoming the resource for both pediatric and adult trauma care providers to improve pediatric trauma care regardless of where injured children are cared for. The PTS is a multidisciplinary Society.

Membership is open to all professionals dedicated to the care of injured children.

PTS Members receive:
- Educational offerings related to pediatric trauma
- Networking with peers from multitude of disciplines
- Regular electronic newsletters
- Members only access to benchmarking studies
- Members only access to guidelines

Become a part of this truly unique organization today and help shape the future of our specialty! Visit pediatrictraumasociety.org

PTS Members are welcome and encouraged to participate in one of our nine committees.

- Advanced Practice Provider Committee
- Education Committee
- Guidelines Committee
- Injury Prevention / Advocacy Committee
- Membership Committee
- Nurse Leadership Committee
- Program Committee
- Publications Committee
- Research Committee
