WESTERN PEDIATRIC  
TRAUMA CONFERENCE

The Western Pediatric Trauma Conference features nationally renowned faculty in the fields of pediatric trauma, pediatric sub-specialties, critical care, emergency medicine and pre-hospital care for injured children.

Opportunities for oral and poster (scientific and best practice) presentations are available. Scientific presentations are eligible for manuscript publication in the Journal of Pediatric Surgery.

**Point-counterpoints Debates**

A conference favorite returns! Experience the action as two top trauma clinicians battle to the end on a hot topic in pediatric trauma care. See which speaker is at the top of their game and reign supreme!

**Pediatric Trauma CE**

The conference will offer CME, CNE and EMS CE's with registration.

**Registration:** \$150 per person all Specialties
