

Trauma Resuscitation in Kids (TRIK) Course

Thursday, October 17, 2019 and Friday, October 18, 2019
Nemours/Alfred I. duPont Hospital for Children
Wilmington, Delaware

Nemours Institute for Clinical Excellence of Nemours/Alfred I. duPont Hospital for Children in collaboration with the Royal College of Physicians and Surgeons of Canada and the Pediatric Trauma Society is proud to present the Trauma Resuscitation in Kids (TRIK) Course.

This is an intensive two day simulation-based course designed for health care providers who manage pediatric trauma patients. Starting from the primary survey and initial resuscitation, this course takes an interactive approach to managing common and uncommon pediatric trauma cases while focusing on the roles of team leader and team member. The TRIK Course is designed for emergency physicians, general surgeons, pediatric surgeons, anesthesiologists, critical care physicians, pediatricians, family physicians, emergency nurses and respiratory therapists.

Learning Objectives

- Describe the differences between adult and child pathophysiology
- Conduct a primary and secondary survey for pediatric trauma cases
- Recognize, diagnose and manage common trauma-related pediatric injuries
- Recognize and consider ethical issues related to pediatric trauma
- Interpret diagnostic images for pediatric trauma cases
- Determine the appropriate steps to prepare for the transport of a pediatric trauma patient

Topics

- Airway Management
- Shock
- Traumatic Brain Injury
- Thoracoabdominal Injuries
- Non-accidental Trauma
- Spinal Cord Injury
- Burns and Inhalation Injury
- Electrical Injury
- Penetrating Trauma
- Multi-System Trauma

General Information

Site: This program will be held in the third floor Lecture Hall and the Nemours Institute for Clinical Excellence Simulation Center at Nemours/Alfred I. duPont Hospital for Children located at 1600 Rockland Road in Wilmington, Delaware.

Accreditation: The TRIK Course is an accredited simulation activity as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada. Through an agreement between the Royal College and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 credits™. Please refer to the Royal College's [TRIK website](#) for further details.

Americans with Disabilities Act: In accordance with the Americans with Disabilities Act, Nemours/Alfred I. duPont Hospital for Children will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, please contact Nemours Institute for Clinical Excellence at least 15 days in advance of the program at (302) 651-6719.

Course Registration

Registration Information: Because of the in-depth, hands-on nature of the program, registration will be limited. Early registration is advised. Advance registration is required and should be received by **September 9, 2019**. Registrations received by this date will be confirmed in writing.

Fees: The registration fee is \$1195 for physicians and \$375 for registered nurses and respiratory therapists. This fee includes all course materials, refreshments, and meals as noted on the schedule.

To register: Click this link: www.PedsUniversity.org. Scroll down to Trauma Resuscitation in Kids Course. Click “sign in to register.” Sign in or create an account and complete the online registration and payment form.

Cancellation Policy: A full refund will be given for written cancellations received before September 9, 2019. No refunds will be given after that date. Nemours is not responsible for any cancellations or change fees assessed by airlines, travel agencies or hotels. The course will be cancelled if the minimum number of registrants is not met. In this case, you will be notified at least one month before the start of the course.

Hotel: Rooms may be reserved at the Doubletree by Hilton at 4727 Concord Pike, Wilmington, DE by calling the hotel directly at (302) 478-6000. Please ask for the Nemours rate. (Internet only rates may sometimes be lower than rates available directly from the hotel.) Rates start at \$144 per night, based on availability. Shuttle service is available to the hospital if you would prefer - please inquire at the hotel front desk.
